

MORAB BREEDERS' TRUST FUND STALLION ENROLLMENT FORM

Invest in your Stallion today ...

The Morab Breeders' Trust Fund is a program involving Stallion and Foal Enrollments with payouts annually. Enroll your stallion by December 31st to make his Morab foals eligible.

- Enroll your stallion by December 31st. Fees are based on the number of mares you bred to produce Morab foals eligible for IMR registration. The mares bred are recorded on a Stallion Production Report. There are separate fees for Morab stallions; Morgan and Arabian Stallions. (See Fee Schedule at the bottom of this form.) Fees to be paid in US currency. Stallions may be enrolled by someone other than the Stallion owner and the payouts will be paid to them instead.
- Once the Stallion is Enrolled the stallions Morab foals born the following breeding season and MBTF enrolled are able to earn points in the LAAP. These points will convert to annual cash payouts to the Stallion owner for the life of the Morab offspring.
- Morab Breeders' Trust Fund point earning horses get a check from IMBA each year they participate. Payouts are based on the number of horses participating in the MBTF and the points they earn. Payouts are divided: 10% to the Stallion Owner; 10% Foal Enroller and 80% to the recorded owner of the horse.
- Keep your Stallion Enrolled to make his offspring more valuable. It is also a way for you the stallion owner to make money from your stallions Morab offspring for years to come.
- A list of MBTF Enrolled stallions will be published in the Morab Perspective. This is additional free advertising for you the stallion owner.
