

## To Register a Morab

- An Application should be filled out and submitted with the fees (US Funds)
- Photographs of both sides of the horse. in one photo please turn the head to show the face markings.
- Copy of the Sire and Dam registration papers. If one or both of the parents are already in the data base, indicate "already on file" at the bottom of the registration application.

### Morab Horses born after 1-1-03 DNA and Parent verification is required.

DNA testing of your Morab is an **additional fee**. After the fee is paid a DNA test kit will be sent directly to you.

#### For Parent Verification:

##### Already DNA tested registered Morgan Sire/Dam:

No additional fee. You do not need to do anything the Morgan Registry will send the DNA results directly to the International Morab Registry.

##### Already DNA tested registered Arabian Sire/Dam: A

A fee must be submitted to the Arabian Registry and a request should be made to provide the DNA results to the International Morab Registry. A form is available to assist you with this request. Click on the Arabian DNA form link at [www.morab.com](http://www.morab.com) or request one from the Registry.

##### DNA tested registered Morab Sire/Dam:

No additional fee. You should request from the appropriate Morab Registry to provide the DNA results to the International Morab Registry.

##### Not DNA tested Morab or Morgan or Arabian Sire/

Dam: An additional fee is paid to the International Morab Registry the DNA test kit will be sent directly to you.

**Note:** If you wish to use these DNA results with the other breed registries they may not be accepted.

#### Registering an Older Morab

An application, photographs and fee should be submitted. If the horse is already registered with one of the cooperating registries please submit a copy of the registration certificate. The International Morab Registry may require additional testing should there be reasonable doubt of parentage or pedigree.

#### For Your Information:

Foals are first registered to the person who owned the mare at the time of birth, unless a lease statement is filed. If you leased the sire or dam please submit a copy of the lease or a statement with the sire or dam name and registration number and indicate that the horse was leased to you and signed and dated by the owner of the sire or dam. Postmark date is used for dating purposes on all registration applications and transfers. It is the **seller's** obligation to transfer registration papers.

If a contract sale is involved, the contract sale dates must be indicated.

Registration Applications are available at [www.morab.com](http://www.morab.com) or from the IMBA office
