Half Moon Farm is a working Vermont farm for over a century.
Half Moon Farm is dedicated to the breeding and raising of the beautiful Morab horse. Half Moon Farm is the only registered Morab breeding farm in Vermont and the largest in New England.
Half Moon Farm breeds and sells these wonderfully versatile horses throughout the country.

LM Black
Powder

Powder is a Gold Seal black stallion with no white markings. Powder stands at 14.2 .He is homogeneous for black as he has had no chestnut foals; only blacks, buckskins and dark bays. Powder's Arabian sire was a straight Babson in a preservation breeding program - a double Fa-Serr grandson.
