Morgan At Stud: Schaenzer's Silver Eagle

(Zeulner's Sunka Wakan x Granaway Bonne Amie)

Silver dapple Morgan stallion, he throws gait and a dressage style trot! Silver is a handsome rare silver dapple Morgan and has two lovely Morgan foals on the ground, a very flashy flaxen gaited coming two-year-old filly and a big red chestnut colt who carries the silver dapple gene meaning he can throw silver from black based mares! Both are for sale call or write for photos, info etc.

Silver is expecting 13 Morgan foals this year and will be bred to my black Arab mare this year for his first Morab.

Wouldn't you like to own a stunning rare silver dapple Morab? Breeding fee is \$750 with either at home or we offer frozen semen too.
